It builds up and strengthens your entire system. It contains Cod Liver Oil and Hypophosphites so prepared that it is easy to take and easy to digest. ALL DRUGGISTS: 50c. AND \$1.00

High School Day.

The Third Annual High School Day Odessa Democrat. celebration conducted under the auspices of the University of Missouri, will be held in Columbia on Saturday, May 4th. The purpose of this gathering is to allo " the High School students of the state to meet together under the auspices of the University in sthletic and debating and essay contests. On the morning of this day there will be a baseba'l game between teams representing the High Schools of Kansas City and St. Lonic. The High Schools in these cities are now playing a series of games to determine the county. the championship, and the winners of the two cities are to play in Columbia on May 4th. Two of these games each of shem has been won by a Kansas City school On account of this fact the schools of St. Louis are making an unusual effort this year to turn out winning teams. In the afternoon will be held the Fourth Annual Interscholastic Track and Field meet. In 1906 this meet was held in Columbia on May 5th, and there were 225 boys compeling in athletic events. Present indications are that this year there will be at least 350, and possibly more, Apropriate medals will be given to winners of individual events, and a banner and loving cup to winners of the relay race and of the Meet respectively. During the day preliminary contests in debating and essay work will be held, and the final contests will be neld in the evening in the University auditorium. The Board of Curators have established a scholarship amounting to \$125, which shall be given to the winners of this contest, entitling such contestant to the amount of money stated and exempting him from payment or University fees except those for "PNEUMONIA'S DEADLY WORK the essay contest, which is only open Rural Route 1.
